	AGENDA TOPICS	DISCUSSION	ACTION/RESPONSIBLE PERSON
		<ul style="list-style-type: none"> ● Cynthia - Riverside LOHP will be at the OHAC-IE meeting on Friday with fliers for their next meeting on 6/20/19. The Oral Health Plan is going through upper administration for approval to be officially released. It has already been approved by the State. Riverside LOHP is collaborating with IEHP at the Community Resource Center for Parent Training using the Tiny Smiles Curriculum. They will have two classes in June and two in July. They are also having a hands-on education program during the summer for ages 5 to 11, using the Smile Smarts curriculum from the American Dental Association. They will have fliers at the OHAC-IE meeting on Friday, and it should be posted soon on the IEHP website. ● Susan - CHDP is providing training to staff on providing fluoride varnish. ● Crystal - Aging and Adult Services – DAAS is currently in partnership with Transitional Assistance. As of June 1st, Cal Fresh benefits may be eligible to people who are on SSI. Applications are available through 211, in the offices, or in-home support staff. There is also a new program called Home Safe to help with housing. ● Yesenia - Tri-County Dental Society – Primarily focusing on fundraising for CDA Cares. The goal is to raise \$300,000, they are currently at \$57,000. Please refer any companies you know of that may be interested in sponsorship. They are also still recruiting volunteers, ages 18 and older, for various positions for the CDA Cares

		<p>event. The application to enroll is on the CDA Foundation website. Shehara is the new interim Executive Director.</p> <ul style="list-style-type: none"> • Heather - WIC – The program is moving to a web based computer system. They will be transitioning from vouchers to an EBT type system. Clients will be able to purchase items throughout the month. There are ten waves throughout the State. San Bernardino County is in “wave” eight and ten. • Danica - San Bernardino LOHP is partnering with Nutrition for the Summer Meals program. SB LOHP is participating in over twenty Summer Meals events, delivering oral health education .The website for LOHP is in development. In the future, Danica would like advisory members to test out the website and give feedback. • Gemma - SAC Health - Dr. Kadar is the new Chair for CTCA Dental Director. One of the challenges is that parents are not following up on screenings and exams by bringing their children to the clinics for treatment. Parental education needs to be addressed. DHTS came out with a new bulletin aligning with the American Academy of Pediatrics regarding the application of fluoride varnish every 4 months, from ages 0 to 6 years old, effective 6/1/2019. • Lizbeth - Center for Oral Health – The proposal was accepted for OHAC-IE to present at the Southern Region Student Wellness Conference. The conference will include educators and administrators from the school district. The next OHAC–IE meeting is on Friday, May 24, 2019, at

		<p>First 5 San Bernardino, from 8:30 to 10:30. Free Perinatal Infant Oral Health webinar is on June 6, 2019, from 9:30 AM to 11:00 AM. Maternal Health Network is looking for consumer support. They need pregnant women to take part in interviews for their Needs Assessment. Please give contact information to Lizbeth if you know of any consumers who are interested.</p> <ul style="list-style-type: none"> • Joseline – Center for Oral Health – The school year is winding down, but they do have some schools signing up for the smiles surveys in the fall, and Rialto is now on board. • Sahiti – Center for Oral Health – The smiles survey is the oral health assessments for the kindergarten and third grade students. The existing data is outdated, so the COH is updating the data for San Bernardino and for California. The presentation at the student wellness conference is a great opportunity to share that there is a complete plan for oral health available. • Jaqueline – Community Health Association - Jacqueline will take back information about the Local Oral Health Program to Community Health. • Water fluoridation is something the State will be addressing. Fluoridation is on Sahiti’s list to see what the state is going to do and what the Local Oral Health Program can do to increase the public’s awareness regarding water fluoridation. 	<p>Bonnie – provide Jacqueline with an introductory letter to LOHP and the strategic plan to take back to Community Health Assn.</p>
