Advisory Committee - NOTES

Tuesday, October 24, 2023, 11:30 a.m. – 1:00 p.m.

Vision: We envision a county where all individuals have opportunities and resources to achieve and maintain optimal oral health.

Mission: To facilitate and coordinate county-wide efforts to improve oral health knowledge, access, and utilization, thereby improving oral health outcomes.

Oral Health Spotlight

Indio Surgery Center Children's Dentistry

Sue Endresen
Marketing Coordinator

INDIO SURGERY CENTER

Children's Dentistry
Under General Anesthesia

Who we are ...

Indio Surgery Center is a Joint Commission (TJC) State Certified Surgery Center specializing in Children's Dentistry under General Anesthesia!

- A top referral choice for more than 250 General/Pediatric Dentistry offices throughout the Tri-County area for over 17 years
- Over 25,000 patients (aged 12 years and under) treated to date
- State-of-the-art, high-volume facility with highly dedicated, in-house administrative/support staff
- Team of fully accredited Dentists with 75+ years experience
- A highly skilled group of professional Anesthesiologists and CRNAs with over 70 years of combined experience

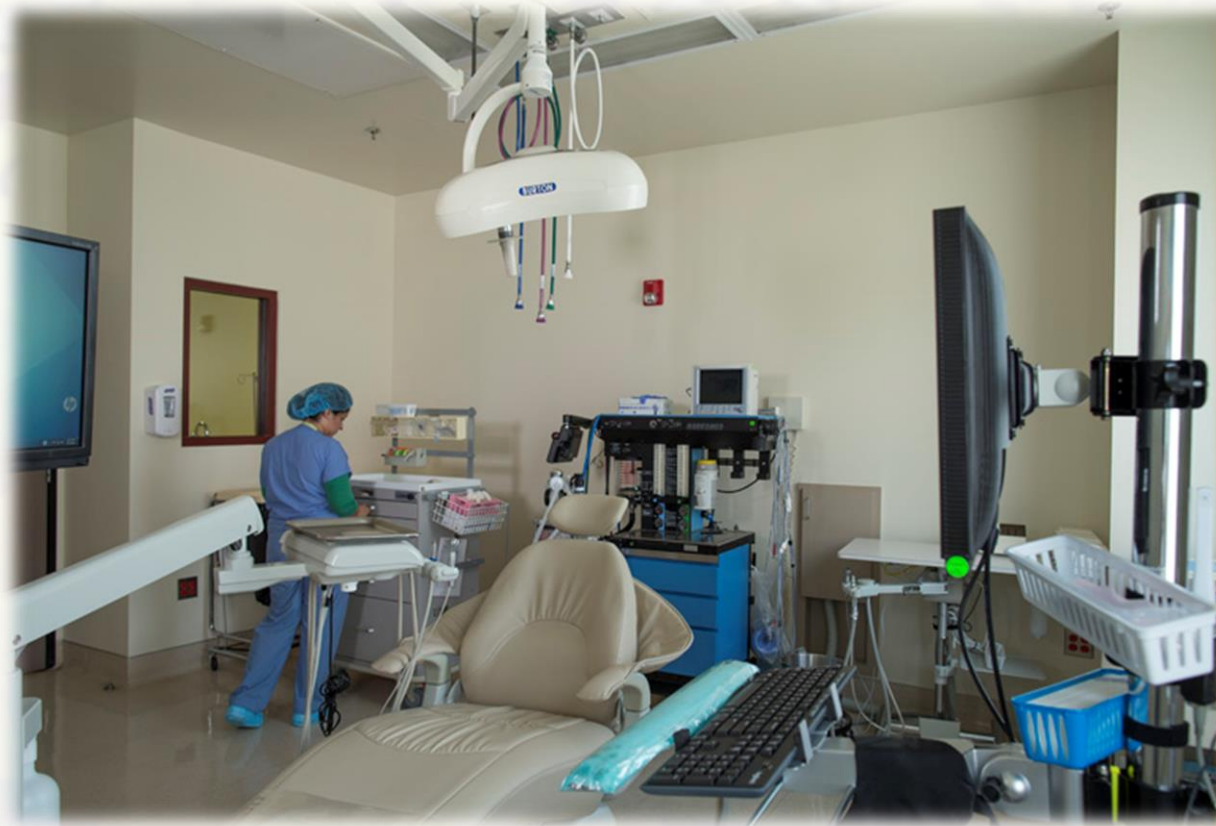

What we do ...

As a top Ambulatory Pediatric Surgery Center serving Riverside, Imperial and San Bernardino counties, we provide specialized dental care to children aged 12 years and under, including children with disabilities, certain medical conditions and dental anxiety.

- **Fillings: Silver Amalgam (back teeth); White Composite (front teeth)**
- **Place Stainless Steel and/or White Crowns**
- **Extractions (Simple to Supernumerary); Space Maintainers (*if needed*)**
- **Oral Pathology (Referring office request and X-Rays required)**
- **Prophy/Fluoride Treatment, Pulpotomies (*primary 'baby' teeth only*), Frenectomies and more...**

Check Out Our Advanced Pediatric Dental Center!

- Quiet, spacious recovery room
- Continuously staffed and supervised by skilled caregivers
- Specially equipped to monitor up to 6 patients at any given time

- Three state-of-the-art treatment rooms
- Highly trained team of Dentists, Anesthesiologists, CRNAs and RNs
- All Operating Room staff specialize in pediatric dental care under general anesthesia!

The Referral Process ...

Indio Surgery Center patients are scheduled thru referrals received from dental offices that encompass the Tri-County area and beyond...

- Child is examined by a dentist in a General/Pediatric dental office
- During exam, child is found to be lacking the necessary physical or behavioral temperament to be safely treated in the examining office
- Detailed referral sheet is received from the treating dental office
- Parent/Guardian is contacted within 48 hours of referral receipt; any necessary medical information is obtained
- Treatment scheduled once authorizations and medical clearances (*if necessary*) are obtained
- Notification sent to referring office within 2-3 weeks of treatment

California State Plans:

- Tricare
- IEHP
- Medi-Cal Dental
- Molina
- Indian Health Service
- CH&W

We also gladly accept

Do you have Medi-Cal? Medi-Cal covers dental services!
Scan this code to find a dentist that accepts
Medi-Cal Dental in your area.

serves pregnant individuals (may require medical release from primary care provider)

Steps to Enroll in Medi-Cal

Medi-Cal offers **FREE** or **LOW-COST** health care for eligible California residents.

- Dental services
- Doctor services
- Emergency room
- Hospitalization
- Maternity/baby care
- Mental health services

- Substance abuse services
- Prescription drugs
- Physical therapy and devices
- Children's medical, dental and vision
- And more!

Social Services Office
San Bernardino County: (877) 410-8829
Riverside County: (877) 410-8827

Step 1

Are You Eligible?
Eligibility is based upon income and other criteria.
If you have Medi-Cal, you have Medi-Cal dental benefits.

Step 2

How to Apply
You can apply for Medi-Cal in person at your local county social services office, by mail, by phone or online at www.benefitscal.com any time of the year.

Step 3

Verify Eligibility
You should receive a notification of eligibility by mail once you submit an application. Use your Benefits Identification Card (BIC) to access Medi-Cal benefits.

Step 4

Enroll in a Plan
Within 45 days of receiving your BIC, you will receive information explaining Medi-Cal or other health plan options. Choose your plan and start using your benefits.

ENROLL TODAY!

Need help applying?
Call a certified enroller to apply for Medi-Cal over the phone at (909) 257-0328

MORE POSTS TO FOLLOW FOR OCTOBER!

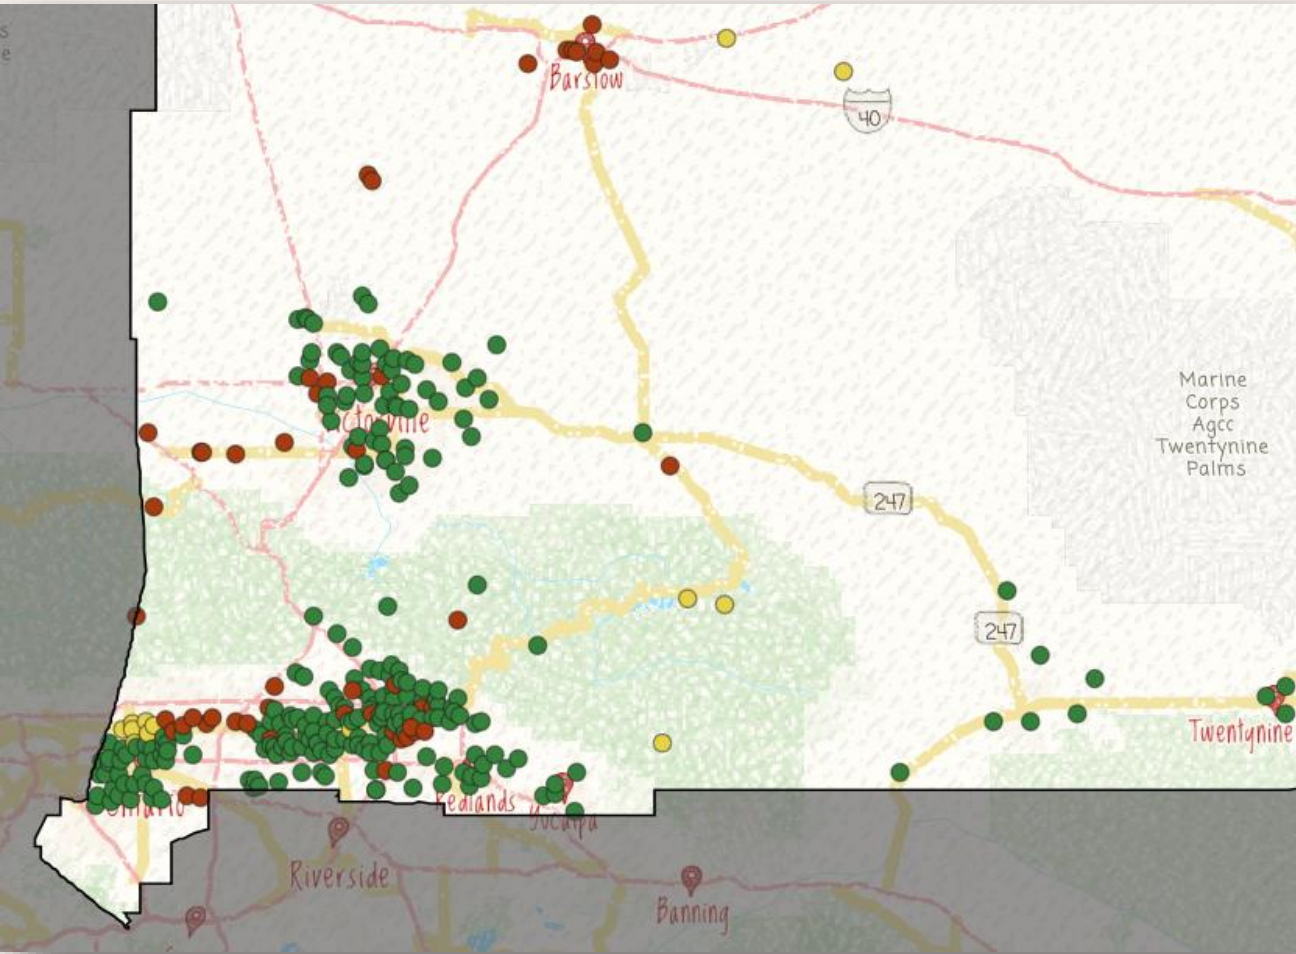

Other Program Updates

Overarching Goals

- MOUs with more districts/schools
- Expand in current districts/schools
- Increase kindergarten assessments (KOHA)
- Increase reporting in SCOHR (System for California Oral Health Reporting)
- Increase sealant prevalence
- Decrease disparities

School Program Workgroup

- Regional Approach:
San Bernardino County, Riverside
County and IE School Health
Collaborative
- Current Priorities:
 1. Referrals & Linkages
 2. Awareness & Education

Results Based Accountability

Ultimate Goal =
Cavity free children in the Inland Empire

Framework =
How are we doing?
How much are we doing?
Anyone better off?

School Program Effort

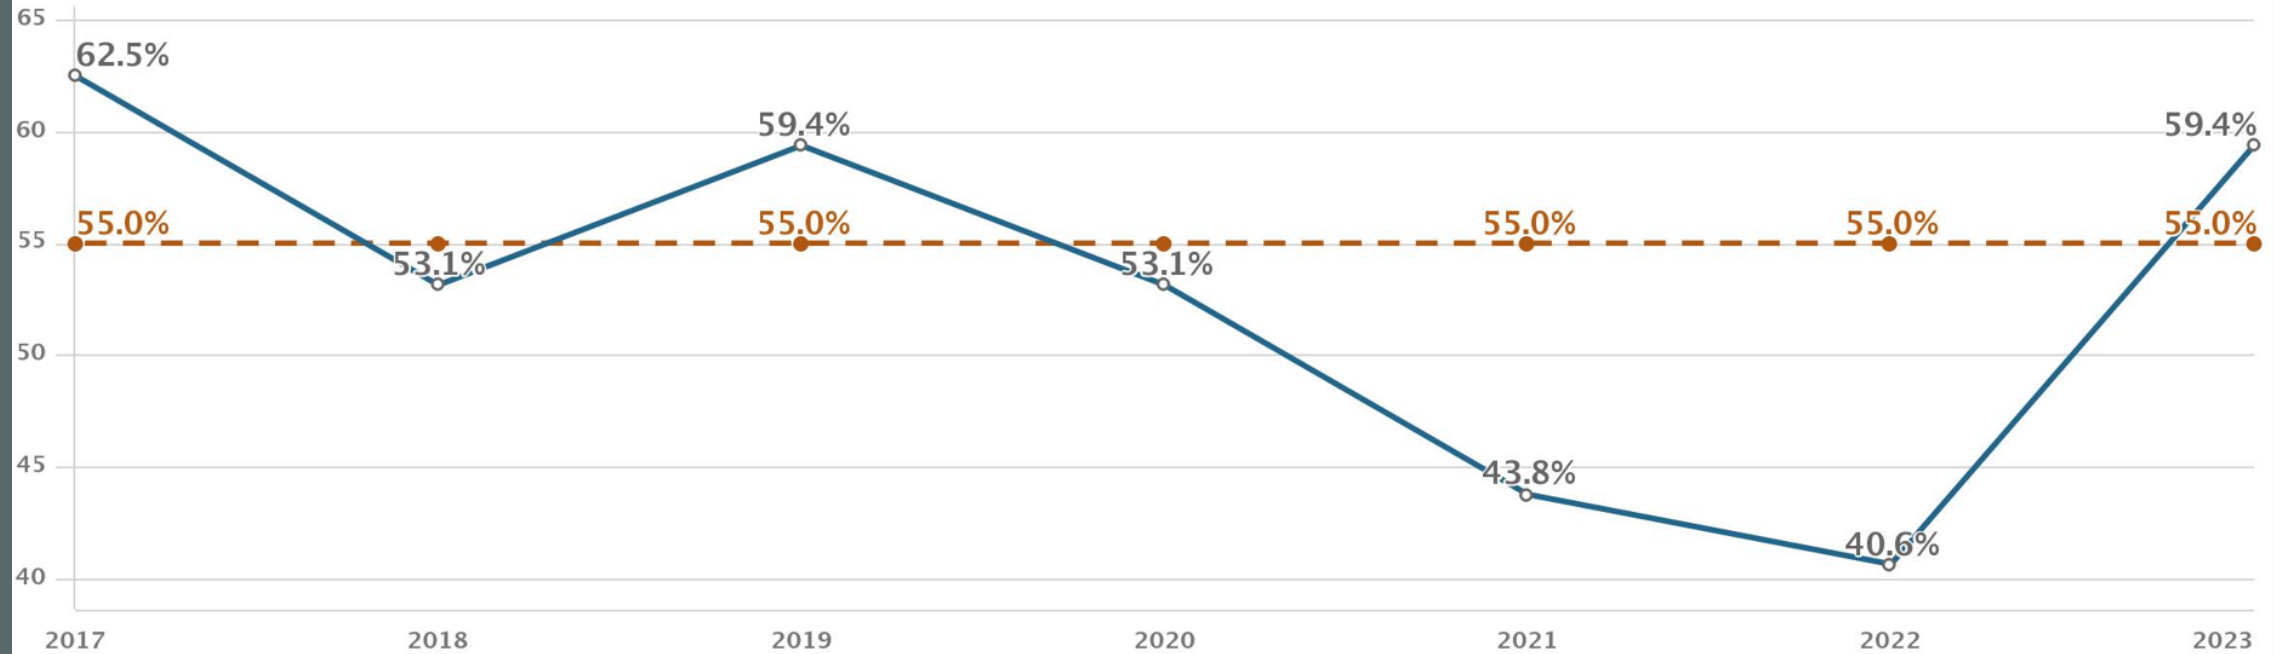

Progress

- Five (5) partners contracted to expand kindergarten assessments
- New, expanded partnerships to assist with outreach to districts, schools, and parents
- SCOHR accounts established for additional school districts
- New agreements with 4 school districts
- Portable equipment loaned to dental professionals to help expand oral health efforts in prioritized elementary schools

% of San Bernardino county school districts participating in KOHA

Ontario-Montclair Elementary
Oro Grande Elementary
Redlands Unified
Rialto Unified
Rim of the World Unified
San Bernardino City Unified
Silver Valley Unified
Snowline Joint Unified
Trona Joint Unified
Victor Elementary

- 66% of schools have an oral health program
- 40% of schools have onsite kindergarten screenings
- 32% of schools have onsite preventative services like cleanings

Source: SBC School Provider Survey 9/2/23

**TOOTH DECAY (CAVITIES) IS THE MOST COMMON
CHRONIC DISEASE AMONG CHILDREN,
BUT IT IS PREVENTABLE!**

Almost 3 out of 4 third graders and more than half of kindergarten students in the county have had tooth decay.

Students who miss school due to dental problems cost California school districts about \$30 million a year.

“Help me stay in school and succeed!”

A dental program at your school can lower absences and provide easy access to dental services for students and their families.

If you want a dental program at your school, please email us at info@smilesbc.org
Funded by the CDEH, under grant #22-0006
